

Expand GrandFabric

Fabric backwalls in straight and curved shapes

Easy to set up

1. Click the 4 frame parts together
2. Pull over the pillow case fabric graphic over the frame
3. Close the zipper
4. Attach the two feet. Ready!

Your print

As the fabric always covers both the front and the back, choose between:

- Different prints on the front and back
- The same print on the front and back
- Only print on the front with a black fabric on the back

Easy to transport and store

It is delivered in a bag on wheels or the Expand PodiumCase, our transport box on wheels that doubles up as a counter at any event.

Sizes & shapes

Straight and curved shapes (3 different curves) in various widths. Height: 240 and 318 cm.
